

FOCUS

LIB DEM'S Fight For Our Area

WE CARE FOR YOU

Ian Morton is concerned that the Conservatives have no plan to safeguard our historic High Street. "When Eden opens everything will move westwards leaving a deserted High Street with nothing but pound shops. Bad planning is destroying our Town."

A RECORD OF ACTION

- ✓ The Liberal Democrat FOCUS Team works for local people all year round.
- ✓ They have a strong record of work and action for local people.
- ✓ As your local councillors they will fight to get the best for local people.
- ✓ They will keep people informed through regular editions of FOCUS.

Beware of waffle and hot air in our opponents leaflets. Judge the Conservatives on their record - Is Wycombe getting better? Do you see or hear from your Councillors outside of election time? If you answered No then they don't deserve your support!

Axe the Tax Campaign

Sands Council Tax bills have gone up again. Has your wages or pension gone up by a similar rate?

It is time to scrap Council Tax completely, and replace it with a fair tax related to ability to pay - a local income tax.

A PROMISE OF MORE

ALL YEAR ROUND ACTION FROM YOUR LOCAL LIB DEMS!

It's possible to campaign for changes and improvements even when you're not in power. Liberal Democrats have been doing just that.

ACTION

We attended all the Adams Park Green Travel Plan meetings last year. We listened to the arguments and contributed our ideas. Where do you think your County & District councillors were? Answer: Nowhere to be seen until March this year!

We got the street lights fixed in the alley from Pinewood Rd to Chapel Lane.

Remember the tree that blew down across the path/cycle track in Desborough Park in January. It was there for two weeks causing a hazard. We pressed for action and the following day the path was cleared.

We've also been reporting potholes in the roads (and again when the temporary repair fails).

What about the funding fiasco at Cressex School? We were at the public meeting supporting the case for providing the cash that the Conservatives had chopped.

We battled to save West Wycombe Library from Conservative cuts.

We've campaigned for the improvement of bus services and for www.buckscarshare.co.uk. We believe in encouraging people to be green by providing infrastructure and support. That includes work on the ground, including talking to companies to find ways to cut traffic congestion during the rush hour.

Most people say that they care about the environment. To turn those sentiments into action takes encouragement through leadership, your local Lib Dems will provide that leadership.

If you vote us onto the council we will be able to do more - all year round.

What Ian & Reg will fight for:

- 1 More Police on Patrol - reducing crime.
- 2 Free personal care for the elderly - A fair deal for pensioners .
- 3 Adequate funding to ensure safe pathways and highways, Sands is pitted with potholes and poorly maintained pathways.
- 4 An effective recycling scheme. Green Bins for those who have space. A Recycling Collection point in Sands. Increased collections from recycling points.
- 5 Safeguard Green spaces and the protecting of community facilities.
