**Local People Say....**

**WE NEED A STRONG TEAM OF COUNCILLORS**

**The Liberal Democrats have run the strongest campaign in Sands.**

**It is now up to Sands residents to decide who deserves to be our Councillors.**

**Reg Rundle**

**Thursday is POLLING DAY!**

Most people say that they care about the environment. To turn those sentiments into action takes encouragement through leadership, your local Lib Dems will provide that leadership.

## When all the ice melts...

**Reg Rundle says**  
**“So many people I meet want to go Green but our Council is not providing the infrastructure and support. Black boxes should be introduced in Sands for the collection of plastic and cans. Our Green spaces and woodland must also be protected”**

**Ian Morton & Reg Rundle want more urgency from our Council to help combat climate change**

**Ian Morton says “ Many local residents agree with us that the Council should be doing more - we want to see Green Bins for those who have space. A recycling collection point in Sands and increased collections from recycling points across the District”.**

## Spot the recycling centre

**Did you know there is a recycling collection point in Mendy Street (by Rose & Crown)? We tried to get our Conservative Council to signpost it but they refused.**

**It is the only one in the District we have seen that is not overflowing on a regular basis!**

**Liberal Democrats will treat recycling as a priority.**
