

Wycombe District Council Elections May 3rd 2007

Robert Perkins writes:

I am honoured to have been selected by the Liberal Democrats as their candidate for Booker and Cressex.

I have lived in Wycombe for the past ten years and look forward to making contact with many of you over the next few weeks. Please do contact me to let me know of your concerns.

Wycombe is going through a time of great change, and I see it as the councillor's duty to keep in touch with the residents of the ward, and to work for those changes that fit in with the hopes of the community.

At present I am completing a course in plumbing at Amersham and Wycombe College, and see this job as allowing flexibility to be available for council duties.

I hope you will support me on May 3rd. I am looking forward to serving the community of Booker and Cressex to the best of my ability.

Liberal Democrats

- Liberal Democrats aim to enhance services by saving money, not by raising the Council Tax. We are aware that we need to give value for money to our residents.
- Liberal Democrats wish to ensure decent housing for every family and individual in the District. A secure base gives stability to each person.
- Liberal Democrats are concerned that the council's large number of redundancies has been unsettling for the officers, and they want to create a workforce happy to serve the public.
- The Environment is at the heart of Liberal Democrat policy. We strive to ensure that every policy we promote is environmentally sustainable.
- Liberal Democrats aim to have many varied leisure activities in Wycombe District, to encourage a healthy, lively and interested population.
- Liberal Democrats wish to help in the enhancement of user-friendly public transport to encourage people to avoid using their cars.

Rubbish!

Telling people to recycle and then not emptying the collection points often enough is what we have come to expect from our Conservative Council. Robert wants to ensure the council gets basic services right!

We can cut crime!

Liberal Democrats propose real solutions:-

1. More police on patrol
Don't waste billions on ID cards
2. Compulsory work and training in prison to cut reoffending
3. Better compensation for victims paid for by prison work
4. Take back our town centres.
Pubs and clubs that cause trouble must be closed.
5. Make sentences mean what they say
Life should mean life

WE WANT TO HEAR FROM YOU!

Please let us know of any suggestions, concerns or complaints you have that you think will help the Liberal Democrats provide a better service for you and your neighbours. Also offers of help or requests for a lift to the polls on polling day.

I would be delighted if you wish to join the Liberal Democrats!

Will You Need a Postal Vote?

Anyone who wants one can now qualify for a postal vote. If you are likely to be away because of work or holiday; if you find it awkward to get to the polling station, or would just find it more convenient to vote by post then ask Robert for a form.
